

Girl and Mother Held On Murder

Baby In Well Mystery Solved By Two Arrests

Mrs. Dewey Sweet, sixteen-years-old, of Springdale, was arrested late Thursday by Sheriff C. M. Devore for Constable W. S. Frye, of Lewis county, on the charge of being the mother of the infant whose body was found on Friday, June 9th, in an old well on the farm of Mr. Ed Sullivan near Mowers Park, Lewis county. The girl was taken to Vanceburg Thursday night where she made a complete confession charging her mother with the actual murder of the infant by neglect.

Sheriff Devore and Constable Frye arrested the mother, Mrs. Anna Solister at her home at Springdale early Friday morning and she was taken to Vanceburg. The mother denies the accusation of her daughter and says she knows nothing about the murdered baby.

On Friday, June 9th, Mr. Edward Sullivan, prominent citizen of Lewis county, went on an inspection trip onto a farm he had recently purchased in the Mower Park neighborhood. On his trip over the farm, he uncovered an old deserted well and to his horror saw what appeared to be a small human body floating on the top of the water. Removing the bundle, he found it to be the body of an infant wrapped in an old sack with the head and arms gone but the trunk of the body whole. It was decayed however as if it had been in the water for many days.

Constable Frye, who lives in the neighborhood, immediately took a keen interest in the case which shook the entire community and began a very careful examination throughout the section. Suspicion fell upon Mrs. Sweet, who has been married for only a short time and following this clue he soon found enough information to warrant the issuance of a warrant.

Accordingly the Constable came to Maysville Thursday afternoon with a warrant charging the girl-wife with willful murder. Sheriff Devore was sought and went to home of the girl's

parents near Springdale where he placed the girl under arrest and turned her over to the Lewis county officer.

Constable Frye returned to Maysville Friday morning with another warrant charging the girl's mother, Mrs. Anna Solister, with willful murder. The second warrant was based upon information given the officials of Lewis county by Mrs. Sweet at a questioning held at Vanceburg Thursday night.

The Lewis county officer says Mrs. Sweet told the whole story. She is said to have told that the baby was born to her in November last, before she was married to Dewey Sweet, her present husband. There was much trouble at her parents' home over the birth of the child, according to the story. She is said to have told officers that the baby was a very bright little fellow but that her mother laid the babe on the rough floor and giving it no attention permitted it to die. Mrs. Sweet said she knew nothing about the child's body being placed in the well where it was found. The mother of the child married Dewey Sweet some time after the death and disappearance of the baby, she is said to have told the Lewis county officials that her parents greatly objected to her marriage to Sweet and forbid her to keep company with him.

When the mother of the girl, Mrs. Solister, was arrested Friday morning by Sheriff Devore and turned over to the Lewis county officer to be returned to Vanceburg, she denied any knowledge of the affair in any way and said that she was the victim of enemies in the neighborhood. She was not informed of the confession made by her daughter and said that nothing as was recited by the officers ever occurred in her home. Mrs. Solister is likewise charged in a warrant in Magistrate's court with willful murder and great interest will be taken in the proceedings of this case in which daughter and mother are charged with the cruel murder, by neglect of a helpless infant.

Officers say they had good outside information upon which to base their suspicions which led to the sixteen-year-old girl-wife of Dewey Sweet but that the alleged confession of the girl Thursday evening at Vanceburg finally settles the guilt upon the girl and her mother.

Nothing in this section of the state has so greatly stirred the community as did the finding of the little body two weeks ago but this development in the case will have a tendency to bring even a greater shock. The eastern section of Mason county and the western section of Lewis county now have one of the greatest crimes in the history of that section with which to deal.

It will be remembered that several months ago another infant's body was found in a creek in the Springdale neighborhood. This case was given the very close attention of the Coroner and Sheriff for several weeks but they were never able to unravel it. With the apparent solution of the Lewis case, it may be that light will be shed upon the earlier case and to this end, local officials have again become very alert in its solution making very careful investigations in the community.

98-GALLON STILL CAPTURED THURSDAY NIGHT BY OFFICERS

Largest Still Yet Taken in Mason County Is Captured in Orangeburg Neighborhood By Captain Ort and Sheriffs.

Captain Harry A. Ort, Federal Prohibition Enforcement Officer, Sheriff C. M. Devore and Deputy Sheriff C. P. Raap, Thursday night captured a ninety-eight-gallon moonshine still and all its equipment in an automobile on the Mt. Carmel pike near the North Fork bridge just above Orangeburg. The still was captured at about 11 o'clock and brought to Maysville. It was destroyed at the court house before a large audience Friday morning.

Officers had information of the operation of this still in the North Fork neighborhood for the past three or four months and on two occasions they have made attempts to locate it but both were unsuccessful. On both occasions the moonshiners had left trace of their having been in the neighborhood but the still had been moved to a new hiding place.

Thursday night the three officers hid themselves near the gate to the old Bramel farm between Orangeburg and Mt. Gilad and saw three men go into the farm. At about 11 o'clock an automobile came out of the farm and soon after it reached the pike, the officers surrounded it. Three men who gave their names as Kelly Hall, James Arthur and Omar Hensley were in the machine, which was a Ford, and in the back seat was found the large still and its various parts, all of which are copper. The tank or boiler measures two feet and four inches in diameter and is three feet high, having contents of 98 gallon, by far the largest ever taken in Mason county. In the bottom of the machine was found a .32-caliber Colts automatic revolver and a quart of moonshine whisky.

The officers have learned that the Ford automobile being used by the men, all of whom are said to be from Lewis county, was the property of a Mr. Bramel, who lives at the farm from which the outfit was being moved.

The officers are of the opinion that the outfit was being moved to Lewis county and that it had been operated in this immediate neighborhood for several months. They think that much of the moonshine liquor sold in Maysville was manufactured in this still.

Others besides the men arrested are thought to be interested in the outfit and the officials expect to go into the case very thoroughly and bring to court all those implicated in the ownership and operation of the outfit and the sale of its product.

LET'S ALL DRINK LEMONADE.

About the most sensational bargain of the week is the Maysville Tea & Coffee Co.'s advertisement offering fine large lemons at 20 cents a dozen. With lemons selling from 30 to 40 cents a dozen in the Maysville market this store which is noted for low prices, will start the whole town to drinking lemonade. 23 June 22

THIRD CLASS POSTMASTERS EXAMINATION.

Another local newspaper was in error Friday in its story in regard to third class postmaster examination for the Maysville postoffice on July 15th. The examination is for third class postoffices while the local office is a second class office, but it will be held in this city. The correct examination notice is as follows:

The United States Civil Service Commission announced an open competitive examination to be held at Maysville, Ky., July 15, 1922, for the position of third class postmaster at Ripley, O., and other adjacent towns having postoffice of the third class where a vacancy exists or is about to occur. For application blanks and instructions to applicants, address Secretary Sixth Civil Service District, Cincinnati Ohio, or Local Secretary, Maysville, Ky.

Farmers have you seen the cream contract? Come and get one at the mass meeting at court house Saturday.

HEALTH AND SANITATION

TAUGHT AT NORMAL.

There has been a class added to the Mason County Normal School in which all of the teachers and prospective teachers are taking great interest. It is a class in Health and Sanitation which is being taught by Dr. V. D. Guitard, Mason County's Health Officer. With this additional class, the Mason County Normal school now has more classes and teachers than any county normal school in the state and will rank at the top of the list.

PLANS GO FORWARD FOR FOURTH AT OLD SETTLERS REUNION

Great Things In Store for Those Who Spend the Nation's Birthday With the Old Settlers at Ruggles Campgrounds.

The Fourth of July will soon be here—just a week from next Tuesday. Are you in doubt as to where best to spend that glorious day? Settle the matter at once by planning to go to Ruggles Campgrounds for the day and enjoy the big program to be put on by the Old Settlers. Other places may be in doubt about whether to have a celebration or not. Not so the Old Settlers. You can always count on a big time at Ruggles Campgrounds on the Fourth. Think of the inducements the campgrounds offer: the finest woodland in three counties; the finest music furnished by the Tollesboro band; the most noted orator in Kentucky, Col. George W. Bain, whom thousands know to love; one of Ohio's fine orators, Prof. C. C. Holton, of Manchester; the best people of three counties will be there spreading good fellowship; the most big dinner you ever saw; in everything. The Old Settlers do not wish to detract from other nearby celebrations, but it does say to all, if you want to celebrate the National holiday in true patriotic fashion just come to Ruggles Campgrounds.

An added interest is always given

Mr. James T. Holton, of Dover, was called on the Misses Holton and their uncle, Rev. T. T. Holton, Wednesday.

The Magnolia Flour Mills, of this city, has purchased a crop of new wheat at one dollar a bushel.

to the Fourth at Ruggles by those interested in the campmeeting which follows in a few weeks. The Board of Directors always has a meeting on the grounds on the Fourth to make final plans, let the privileges and to wait upon all who wish to engage quarters for the campmeeting. The coming campmeeting with its added feature—the Epworth League Institute—promises to be the greatest drawing feature ever put on. The manager, Rev. W. S. Peters, is receiving inquiries for rooms daily. Those who desire to attend should notify him not later than Friday morning for Greenup where the Fourth so that if tents are needed she will be the guest of Miss Frances Allen.

PROMINENT FARMER IS FOUND DEAD IN HIS HARVEST FIELD

Brown County Farmer, Prominent in His Section, Is Found Dead in Field—Cause of Sudden Death Unknown.

Henry Miller an aged farmer living in the Red Oak neighborhood, Brown county was found dead in the harvest field at his home Monday morning. The cause of his death is unknown, but it is thought to have been due to heart trouble. He had been in his usual good health, and after a hearty breakfast left for the day's work. A few hours later his body was found in a nearby wheat field.

Mr. Miller was born and reared in the Bullskin neighborhood, below Higgsport, and lived there until about a year ago when he moved to Red Oak. He is survived by his wife and six children.

A large number of relatives of the deceased live in Brown county, among whom is Mr. Albert Schuler, of Georgetown, who lived at the Miller Home for many years. Deceased enjoyed the confidence and respect of all the Epworth League Institute—promises to be the greatest drawing feature ever put on. The manager, Rev. W. S. Peters, is receiving inquiries for rooms daily. Those who desire to attend should notify him not later than Friday morning for Greenup where the Fourth so that if tents are needed she will be the guest of Miss Frances Allen.

Miss Florence Knight Taulbee left Friday morning for Greenup where the Fourth so that if tents are needed she will be the guest of Miss Frances Allen.

OUR POLICY:

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the county as a whole.

SWALLOWED CAMEL—STRAIN AT GNAT

In the national campaign by which the Democratic party came into power in 1913, the Democratic platform pledged a merchant marine without imposing additional burdens upon the people. They put on a burden of four billions, the interest on which is \$170,000,000 per year, and they didn't give the country a practical merchant fleet, either. Now then the Republicans propose to appropriate only \$30,000,000 a year to be paid to ship owners only in case the ships operate under the American flag, the Democrats hold up their hands in horror at the proposal to pillage the people. They robbed the country of four billions and \$170,000,000 a year interest, and stand aghast at the plan to put up \$30,000,000 for a fleet that must operate or not get the money. For insincerity, for business stupidity, for mulish obstinacy, the Democratic leaders certainly have no equals.

President Harding's horse, Harbell, took a blue ribbon. Ex-President Wilson's horse, Democrat, has gone to the boneyard. Do you see any parallel?

1,600,000 POUNDS OF TOBACCO ADDED TO POOL

For Third Consecutive Week Contracts Added by Leaf Co-operative Association Over 500 Mark.

Lexington, Ky. — For the third consecutive week new contracts signed by burley tobacco growers pledging their 1922 to 1926 crop to the co-operative marketing plan of the Burley Tobacco Growers' So-operative Association exceeded 500, according to the totals of the reports to Assistant Chief William Collins, of the Field Service Division, made public Saturday.

The past week contracts to the number of 652, were received representing about 1,600,000 pounds of tobacco. More than 150 signed in West Virginia, and a number known to have been signed in other counties are not included in the report.

Workers in Lewis county probably broke the record for successful signing up of the growers. Of 126 men who were solicited by Albert Day of Maysville, and others helping him in that county, 122 signed the contracts and Mr. Day reports that Lewis county will be practically unanimous for the new marketing plan before the new crop is cut.

Clifton Rhodes, Mercer county farmer, who is leading the West Virginia and Eastern Ohio campaign, continues to increase the number of contracts signed each week in his territory. A big meeting of tobacco growers was held Saturday at Hurricane, W. Va., addressed by President James C. Stone. In spite of all that warehouse and speculating interests have been able to do in opposition, the movement

New York Letter

by Lucy Jeanne Price

New York.—Whatever sins one may commit, there is always left the virtue of frankness. So believes Michael Thorpe. For instance, there has been a slump in the bootlegging business for some inexplicable reason. And that happens to be Michael's occupation. So when he was arraigned in Police Court the other day for failure to support his wife and children, he just explained matters to the judge frankly. "I make my living by trading in liquor," said he. "Business has been so poor lately that I haven't been able to do the right thing at home." He added that he would make good on his family obligations "as soon as bootlegging picks up." The judge was pretty unsympathetic, in spite of the commendable honesty of the plea.

There are a good many kinds of charity, ranging from the woman who prides herself on giving the starving of the city as much as she pays for two

theater tickets, up to the scrub woman who does the housework for her sick neighbor when her own day's work is finished and she is tagged out in every muscle. Solomon Schoenbaum knows the real kind of charity, I believe. Mr. Schoenbaum is a prosperous manufacturer in the upper end of this city, and when he sailed for his native town of Czernowitz, in Galicia, several months ago, he took a large amount of money with him. When he discovered the destitution there, he began to unload his letters of credit. He bought clothing for four hundred people; then for one hundred more. By this time, he was so nearly broke that he was able to scrape up just enough money for second class passage home. But he looked happy when he landed in New York. Next year, he is going back to Galicia with more money.

The business and professional women of the city are going to have a

club and clubhouse all to themselves. One thousand of them have formed a committee under the American Business Women's Association, to raise funds for the building, which will be as complete in arrangements as that of modern clubhouses of business men. Half a million dollars worth of bonds will be sold and the site purchased as soon as possible. Membership will be based on only one qualification; that the applicant be self-supporting. A fourteen story building is planned.

The weather man's job is not confined to telling the newspapers what the weather will be the next day. That's the easiest part of it, as a matter of fact. The vacationers are the chief difficulty. Each year, about this time, requests begin to pour in to James H. Scarr, our local Government bureau weather expert, for predictions on just what weather the Adirondacks will have the week of August 8th, and whether it will be cloudy enough to be good fishing in northern Maine late in July.

A new Fred Stone piece will follow "Good Morning, Dearies," when that musical comedy finally loses its hold on the Globe Theater, and Elsie Janis, in "The Bunch and Judy," another Anne Caldwell-Jerome Kern musical comedy is another production soon to be presented by Charles Dillingham. So far, those are the only ne w productions forecast for presentation earlier than August, but in that month, we are promised a new deluge of them, and of all kinds.

William K. Vanderbilt has given the use of a camp on his estate at Great Neck, Long Island, to the Jacob A. Rills Neighborhood House. Two hundred and fifty children will visit it during the summer.

TAKE IT IN TIME

Just as Scores of Maysville People Have.

Waiting doesn't pay. If you neglect kidney backache, urinary troubles often follow. Doan's Kidney Pills are for kidney backache, and for other kidney ills. Ask your neighbor.

Maysville citizens endorse them. Ben P. Fleming, country Constable, 228 Limestone street, Maysville, says: "I have used Doan's Kidney Pills off and on for several years when I have needed them. I always get Doan's at Wood & Son's drug store. I have been greatly benefited by them. At times my kidneys get out of order and I suffer with a dull constant ache through the small of my back and the kidney secretions are irregular in passage. A box or so of Doan's has never failed to relieve the trouble in a short time."

The above statement was given November 14, 1916, and on November 22, 1930, Mr. Fleming added: "I am glad to renew the statement I gave for publication some years ago as the cure Doan's Kidney Pills made for me is still permanent. I confirm my former statement in every detail as it was all true."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fleming had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

motive transportation to the work was begun from this city last week, when Gordon Lee, left here to represent the industry, for the Department of Commerce. The campaign embraces the development of the foreign market for American constructed automobiles, motor trucks, aircraft, motor cycles and motor boats.

HISTORICAL CALENDAR

June 22.—Resolved by Congress: "That a sum not exceeding 2,000,000 of Spanish dollars be remitted by Congress for defense of America."

June 23.—Wm. Penn's treaty with Indians. 1683.

MINERS' WAR.

Marion, Ill., June 22. — Two were known dead today in the war between local mine strikers and strikebreakers in Williams county, Illinois.

Reports of a larger death list were unverified.

Quiet prevailed in the mine district of Southern Illinois Coal Co., between Marion and Herrin, where the battle took place late Wednesday.

Thousands of shots were exchanged in the battle, which began in the late afternoon and raged until nearly midnight.

Wires were cut and wild reports of the number dead and injured terrified the entire mining community.

Heavy firing and reports of loud explosions were heard at intervals during the night.

ANY MASSACRED IN CHINESE UPRISING.

Shanghai, June 22.—Foreign women missionaries have been herded with Chinese two by two, and driven into the mountains, according to reports from Kifu, giving details of the most horrible massacre since the Boxer rebellion.

Soldiers with whips lashed the foreign women to hurry them on the march into captivity.

More than 10,000 Chinese and many foreigners are reported to have been murdered in widespread slaughter by mutinous troops in the Kiangsi province.

"RELIGION MUST BE GUIDED BY SCIENCE."

Washington, June 22.—Religion has nothing to fear, but much to gain from science, Dr. Edwin E. Slosson, noted scientist, said here today in commenting on the statement of Professor William Morris Davis at Harvard that science rather than religion should deal with morals.

Religion must be guided by knowledge if it is not to waste its energies, Dr. Slosson said.

"True religion has nothing to fear but much to gain from the scientific study of morality," he asserted.

Coated tongue, bad breath, headaches, pimples, bad blood are nature's danger signals. HOLLISTER'S ROCKY MOUNTAIN TEA removes the cause by carrying off the poisons from the liver, kidneys and bowels. Endorsed by women everywhere. J. J. Wood & Son. T&TJune.

CARDINALS AGAIN GET IN THE GAME AND WIN ANOTHER

Cynthiana Defeated By Kentucky Cardinals in Thursday Afternoon's Game — Team Members Show They Can Play Real Baseball.

The Cardinals dissolved partnership with the Lexington Studebakers for joint possession of first place Thursday when they trounced the Cynthiana aggregation by a 10 to 0 score while Lexington was taking a beating at the hands of Mt. Sterling 6 to 4. It marked the return to form of the entire Cardinal line-up with but a single error chalked up against them that by Kresser and being of the exorable kind. Quite a few changes appeared in the batting order and in the field. Kresser going to third, Class to center, Fortner to short and Bell in right all contributed a good article of ball in their new positions. Margerum celebrated his return to the game with eight chances in left and a clean hit. Harding's catch of Linden's Texas leaguer in the sixth and the way Slayback walloped the old apple were outstanding features. Bosken contributed his usual good performance on the mound with four hits and five strike outs.

WIFE SUES FOR ALIMONY.

In the Mason Circuit Court Friday Mrs. Ida Geyer brought suit against her husband Frederick W. Geyer. She states that they were married in 1907 and that on March 1st, 1922, without fault on her part, her husband deserted her. She asks judgment for alimony in the sum of \$3,000, and maintenance for herself and infant son pending the action. She asks an attachment of the husband's wages, averring that he is employed in a Covington machine shop where his salary is \$200 per month.

MEN BLIND TO WOMAN'S SUFFERING.

How many men, think you, have any idea of the pain endured by women in their own household and often without a murmur? They have no patience when the overworked wife and mother begins to get pale, have headaches, backaches, faint spells, or is melancholy and cannot sleep. There is help for every woman in this condition, as evidenced by the many voluntary letters of recommendation which we are continually publishing in this paper for Lydia E. Pinkham's Vegetable Compound. It will pay any woman who suffers from such ailments to give it a trial.

FOUR CONVICTED IN CLAYHOLE MURDER CASES.

George Allen and Leslie Combs were given 15 years imprisonment and French Combs and Shade Combs 5 years each in the trial of the Clayhole precinct election murder cases being tried before Judge W. C. Halbert at Catlettsburg.

CLAYPOOLE-KABLER.

Mr. Lemuel O. Kabler and Miss Lena B. Claypoole, both of Mt. Olivet Robertson county, were married here Thursday by Rev. John A. Davis, pastor of the First Baptist church.

Rev. T. T. Holton, who has spent several days this week with his nieces, the Misses Holton of the Hill House, left for his home in Bloomington, Ill., Thursday morning.
